Teacher Recruitment and Retention Reminder: Rural Openings and Teacher Resumes now on CREC Website!

The CREC has added a new section to our website titled "Teacher Openings". In an effort to connect students to the amazing communities and schools of rural Colorado, the CREC has created a job resource page. If you are an administrator or superintendent, you can post your school's job openings here! Future teachers are also encouraged to look at these openings and fill out a form on this section to submit a resume. Monthly e-blasts with openings are sent to 140 higher education partners.

The CREC hopes everyone is having a great summer and we are looking forward to working with you in the fall!
